

Erik Karl

Data Analyst

1007 Lynn Street SW
Vienna, VA 22180

703.872.9450
erikfkarl1y@gmail.com

Skills

Dedicated and ambitious individual with a strong foundation in data analytics and the ability to work independently and as a team member seeking an entry-level or internship position in information technology.

Experience

TELUS International / Online Data Analyst

July 2023 - PRESENT, Remote

Worked with a team of employees to rate and provide feedback on queries from search engines. I presented and implemented a plan that helped cut search engine errors by 5% over the next 3 months.

Jenis Splendid Ice Cream / Ambassador

MONTH 20XX - MONTH 20XX, LOCATION

Worked with a team of employees. I was responsible for providing profound customer service by effectively communicating, helping customers, and serving ice cream.

Education

Christopher Newport University / B.S, Information Science and Business Administration

August 2019 - May 2023, Newport News, Virginia
